I certify and affirm that I am the property/building owner or authorized agent and that I agree to conform to all applicable laws of this jurisdiction. By signing this statement, I assume the following responsibilities:			
1. The work regulated by this permit must meet zoning and building codes regulations. If a violation exists, the HOLDER OF THE PERMIT must improve it to be acceptable.			
2. All insurance liability is assumed by the PERMIT HOLDER .			
3. PERMIT HOLDER must call for and receive approvals for all required inspections prior to covering the work and occupying.			
Section 23a of the state construction code act of 1972, 1972 PA 230, MCL 125.1523a, prohibits a person from conspiring to circumvent the licensing requirements of this state relating to persons who are to perform work on a residential building or a residential structure. Violators of section 23a are subjected to civil fines.			
State of Michigan, Public Act 407 requires final inspections and certificate of occupancies issued on all projects before occupancy. Homeowners applying for a permit, by signing below, are also acknowledging the statements and information on the back of this application.
